With our FRAME series we offer you a lighting solution for recessed wall and ceiling installation with minimum space requirements. The LED version is equipped with a high-quality diode and available in either pure white or warm white light colour. To operate, the FRAME BASIC needs a suitable constant current driver rated at 350mA. The optional accessory includes a connector strip for simplified wiring in addition to the mounting box and flush-mount frame. This luminaire contains built-in LED lamps. EEL: A - A++. The lamps in the luminaire cannot be replaced.
